- HOME IMPROVEMENT     Deck                       Play Structure                       Structural Improvement
- Patio Cover/Awning     Retaining Wall                       Yard Lighting                       Other

**Additional Information:**

**Homeowner's Response Request time for this request (normal time to review is 30 days):**

*Note: The ACC suggests you complete this project within 90 days. Once the CC & R time has lapsed, this approval will be rescinded.*

**CC & R rules and ACC guidelines most commonly used:**

**Fences:** No more than 6 feet in height

Made of wood or masonry products in earth tones (all stains other than clear, need to be approved)

A finished side of the fence must face toward the street, common areas and adjoining properties

No fence shall extend forward of the farthest setback of an adjoining home

Must be at least 5 feet back from the sidewalk

Height transition between adjoining properties shall maintain natural transition

Shall be finished on top with a cap or of a style not requiring a cap

**Sheds:** If visible to adjoining properties or common areas and/or taller than 6 ft:

- Must be finished to match the siding & roof of house
- Must be set back from property line by 5 feet and not visible from the street

No more than 10 feet in height from ground level to the highest point of roof

No larger than a 10 x 12 footprint

**Landscaping:**

**NOTE: Side yards are considered the same as front yards for corner lots**

Must have grass turf in front yard. Must extend into side yard if corner lot

A minimum of 8, 2 gallon and 5, 1 gallon shrubs and one 5 gallon feature trees are required in front yard

Corner lots: A minimum of 12, 2 gallon and 6, 1 gallon shrubs and 2, 5 gallon feature trees are required.

At least 5 shrubs and one feature tree must be in side yard

Must maintain Washington County required street trees – generally 2 per lot

Must be complete within 30 days of completion of home

Cannot change grade of lot in front, back or side

No front yard hedges or fences

**Other Structures: Any additional structure must be pre-approved by the ACC. Among those commonly requested:**

Play structures – No more than 12 ft in height and of an approved plan to fit the character of the lot and surrounding lots

Patio covers/Awnings – must not detract from look of home & must be finished to compliment house

Satellite Dish-must be at least 5ft back from farthest setback at the front of house and on the side of house. Dish not on house must be out of view from neighbors, common areas, and neighbors.
