Neighborhood Watch Program

In case you missed our Annual Neighborhood Meeting in February, Darlene Schnoor from the Washington County Police Dept. gave an informative talk about Neighborhood Watch Programs (NWP).

Besides helping to keep the crime level low (which is already very low in our neighborhood), a NWP sets up a system to help each other in case of a large scale disaster.

A NWP takes a team of volunteers to establish and maintain the program. One suggestion is to start small with a group of neighbors who are interested in establishing a NWP on their street (or part of a street). If you are interested in creating a NWP for your section of our community, send e-mail to:

president@oakridgeestates.org. To find more info about NWP, check out the following website:

Eye Witness?

As mentioned above the crime rate in our neighborhood is very low, but recently there was an automobile hit-an-run accident on Saturday, April 24. A vehicle hit the driver's side mirror of a truck parked on Eagleridge Ln. If you witnessed the accident, please send e-mail to president@oakridgeestates.org.

New HOA Treasurer

After several years as our HOA Treasurer, Sheena Ho is moving out of the neighborhood. Sheena, we're sorry to see you leave. Thank you for your hard work!

Our new neighbor, John Kuharik, will be stepping in as our HOA Treasurer. Welcome John and Thank You!

Neighborhood Garage Sale

Saturday, June 5th 9:00 AM - 2:00 PM

It's time for spring cleaning! Gather your unused treasures and participate in our neighborhood garage sale. The sale is advertised and signs will be posted nearby. See www.oakridgeestates.org for more info.

Tennis Court Update

You may have noticed that our tennis court has become a much brighter shade of green thanks to its recent power-washing. Unfortunately, the cleaning showed that the surface has several significant cracks which must be repaired. After lasting 2 years longer than expected, the court will be resurfaced this summer. An e-mail will be sent when the exact dates are known.

Playground Maintenance Crew

Thank you Ken Cayton and John Purdy for keeping our children safe by volunteering to perform regular maintenance on the playground equipment!

Dog Waste Bag Stations

You will soon see a new addition in several common areas throughout our neighborhood - Dog Waste Bag Dispensers. Each station will have bags for dog owners to clean up after their pet. Please keep our community clean by using a bag when necessary and then tossing the bag in your home garbage.
